

## TRAVEL DESIGNED WITH MUSEUMS IN MIND

We are part of the Museum Travel Alliance (MTA), joining more than 130 museums across the country to offer private, luxurious 5-star travel opportunities focused on history, art, culture, architecture, and more. Led by renowned museum scholars and curators, MTA's small group travel programs are carefully crafted to delight the culturally curious, offering private, exclusive, and behind-the-scenes access to museums, private collections, gardens, private homes, libraries, archives, artist studios, and more. **Through the museum, you have exclusive access to MTA's portfolio of curated travel programs led by experts.**

### Past MTA travelers have experienced...

- an exclusive after-hours cocktail reception in the Acropolis Museum
- going past the usual barriers to touch the paws of the Great Sphinx
- special access to witness active restoration efforts of the Ghent Altarpiece
- touring Frida Kahlo's private home and studio before hours
- a guided look at the private apartments of Versailles
- a private before-hours slow looking experience at the Prado
- an exclusive after-hours, curator-led tour of the Museo Nacional de Antropología in Mexico City
- a behind-the-scenes tour of Kyoto's iconic Ryoan-ji and Kinkaku-ji temples, led by a senior monk
