

# Declaration of Dependence: Quilian Riano

## *Declaration of Plural Body*

Body. Body has limited power. Body seeks another Body to create a larger Body. Bodies listen to each other's lived experiences as one Body does not experience the same oppressions and privileges as another Body. As long as one Body faces oppression all Bodies cannot be free. Solidarities arise. Conflicts arise. Body negotiates conflicts. Body fights for freedom for all Bodies. Body is one, Body is two. Body has limited power. Body seeks another Body to create a larger Body. Body Grows. Body develops smaller Bodies. Bodies listen to each other's lived experiences as one Body does not experience the same oppressions and privileges as another Body. As long as one Body faces oppression all Bodies cannot be free. Solidarities arise. Conflicts arise. Body negotiates conflicts. Body fights for freedom for all Bodies. Body is one, Body is two, Body is three. Body has limited power. Body seeks another Body to create a larger Body. Body Grows. Body develops smaller Bodies. Bodies listen to each other's lived experiences as one Body does not experience the same oppressions and privileges as another Body. As long as one Body faces oppression all Bodies cannot be free. Solidarities arise. Conflicts arise. Body negotiates conflicts. Body fights for freedom for all Bodies. Body is one, Body is two, Body is three, Body is four. Body has limited power. Body seeks another Body to create a larger Body. Body Grows. Body develops smaller Bodies. Bodies listen to each other's lived experiences as one Body does not experience the same oppressions and privileges as another Body. As long as one Body faces oppression all Bodies cannot be free. Solidarities arise. Conflicts arise. Body negotiates conflicts. Body fights for freedom for all Bodies. Body is one, Body is two, Body is three, Body is four, Body is five. Body has limited power. Body seeks another Body to create a larger Body...
